# General Information

Dear Lebanon School District Families and Friends,

Welcome to the 2023-2024 school year. There are so many great things that took place last year, and we are looking forward to continuing that same trend this year. As you know, our students once again displayed their individual and group talents in 2022-2023. We had students break individual records as our teams proved once again that they could compete with the best. Academically, more and more students graduated ready for college and the workforce. At the younger grade levels, students made great strides in not only improving their Math, English and Science scores on state tests, but also improved their daily attendance through our Attend, Achieve, Succeed campaign. Thanks to each student for their commitment to focus, learn and grow, and every single parent and/or guardian who ensured their children attended school and completed their homework each and every night. We were able to re-establish the importance of school to our community as our student attendance improved in all seven of our schools in 2022-2023.

Speaking of our schools and future changes, if you haven't had time yet, please drive by and view our first building project, which is our new Junior High School. Beginning in 2024-2025, our 7th and 8th graders will attend a brand new school. How amazing!! This new school, combined with our High School, will form our new campus model structure, where all students from grades 7 through 12 will learn and grow together on the same school grounds. Furthermore, please drive by the newly installed track on Wilhelm Avenue. The Wilhelm Avenue stadium project will feature a brand new turf field, where students and community can participate in and watch sporting events such as soccer, field hockey, track and field, and eventually baseball. We are grateful that the School Board is in full support of these improvements for our school district. Through careful financial planning that featured a large focus on savings, these sites will be completed with limited to no impact on our local tax payer.

Also beginning this summer, we begin our second major building project as we start the transformation of the current Middle School to our future Intermediate School. We will start the renovation by remodeling the current school cafeteria. As we plan for our 7th and 8th grades move to the new Junior High in 2024, our 6th graders will remain at the current Middle School, or future Intermediate School, as we continue the building and field renovations, and prepare for our 5th graders to attend beginning in 2026.

In 2023-2024 we will continue to build our relentless culture of reading, ensuring all students can read on grade level by 3rd grade, while piloting new elementary reading curriculum. We will focus on our classroom practices so that there is consistent teaching in all classrooms and in all grades K4 through 12th. We will continue to expand our high school pathways and ASPIRE programs, so all students graduate ready for college, military, or the work force. We will emphasize the importance of having every single student in school, every day, and finally, we will continue our Positive Behavior Interventions and Supports at all grade levels, so students meet our behavioral as well as our academic expectations for success.

Finally, one of the many strengths at Lebanon School District is the diversity of our student population. We are committed to serve all our students in a fair and equal way. If you have any questions or concerns, please contact your child's school building for information. It is important for you to stay connected with your child's teacher, principal, and their overall education plan for success.

On behalf of the Board of School Directors, welcome back Cedars!

Very truly yours,

Arthur W. C. Abrom, Ed.D.  
Superintendent of Schools

## Cafeteria - Breakfast & Lunch Prices

Breakfast and Lunch..... FREE

Breakfast and lunch are free for all students. Students are required to enter their pin number at the register so that all cafeteria transactions can be tracked. Extra servings, ala carte (snack) items and beverages will also be available for purchase; however, charging the sale of these items will not be permitted. Checks made out to "Lebanon School District Cafeteria Fund" and the use of our online payment system, [www.schoolcafe.com](http://www.schoolcafe.com), are the preferred methods of depositing money into a student's cafeteria account to be used for the purchase of extra items.

Because of the increased number of students with severe food allergies and controlled diets, we are unable to accept food items from any outside source for classroom treats. The restriction was put in place due to the health and safety of all our students.

## Special Education Programs and Services

Special education services are available for any exceptional student who requires specially designed instruction to meet their educational needs. Once evaluated and deemed appropriate, a continuum of services and programs can be provided by the District. This screening or evaluation may be requested by the parent for a student who is thought to be exceptional, by contacting the Special Education Office at (717) 270-6726.

Records pertaining to identification of a student as exceptional are confidential and protected under the Family Educational Rights and Privacy Act. Confidential records are only available to the parents and school officials who are directly involved in the student's educational program.

For a full list of Special Education services and a copy of the Annual Notice provided by the Lebanon School District, please go to the Lebanon School District website at [www.lebanonsd.org](http://www.lebanonsd.org).

## English Language Development (ELD)

In accordance with the Lebanon School District Educational Priorities and in compliance with the Federal Law, the District provides an English Language Development (ELD) program for students who are English Learners (EL). The goal of the ELD program is to provide specialized instruction to assist ELs to develop English while accessing grade level content instruction and meeting academic standards as required by Pennsylvania.

Upon enrollment, Lebanon School District administers the State required English Language Proficiency assessment for those students who indicate a primary home language other than English. For those students who qualify for ELD services, parents are notified of the supports that their students will receive and students are placed in the appropriate ELD course.

# General Information

## School Attendance Policy

(Based on Board Policy #204)

The Lebanon School District recognizes that attendance is an important factor in educational success. Attendance shall be required of all students enrolled during the days and hours that school is in session. School attendance matters. Parents or guardians of all children between the ages of six until 18 are required by the compulsory attendance law to ensure that their children attend an approved educational institution, unless legally excused (i.e., doctor's excuse, bereavement, etc.) Students who have not graduated may not be asked to leave school merely because they have reached 18 years of age if they are fulfilling their responsibilities as students. A student may not be excluded from the public school or from extracurricular activities because they are married, pregnant, or have a disability.

All students have a responsibility to attend school regularly and promptly in order that they may receive the full benefit of the educational programs offered by the Lebanon School District. The attendance policies of the Lebanon School District are designed to comply with the Pennsylvania School Code and in addition, to assist the students and families in resolving problems which may contribute to poor attendance (PA School Code Section 1327 and 1330).

## Compulsory School Law

The attendance law requires children to attend a public or state-accredited private school. The period of a child's life from the time the child's parent/guardian elects to have the child enter school, which shall be no later than 6 years of age, until the child reaches 18 years of age.

## Chronic Absenteeism

Chronic absenteeism is defined as students who are absent 10% or more and are enrolled in the district at least 90 school days. A student is considered absent if they are not physically participating in instruction or instruction-related activities. This includes students who are absent regardless of whether absences are excused or unlawful, including out-of-school

suspensions. A student missing 50% or more of a school day (excused, unlawful, OSS) will result in a full day absence.

## Excused Absences

Parents/guardians are required to turn in a written excuse within **three days of an absence**. A maximum of 10 days of cumulative lawful absences verified by parental notification shall be permitted during a school year. Excused absences include illness, quarantine, recovery from accident, observance of a religious holiday, participation in a project sponsored by a statewide or countywide group, college visit (three-day max), family emergency, non-school sponsored trips/family trips, court/legal appointments, and death in the family. All absences beyond 10 cumulative days shall require an excuse from a licensed practitioner of the healing arts.

## Unlawful Absences

Absences shall be treated as unlawful until the school receives a written excuse explaining an acceptable absence, to be submitted within three days of the absence. If an unacceptable absence is received, the absence will remain as unlawful.

## Tardy to School and Early Dismissal

Students who arrive late to school and/or leave early will be coded as unlawful unless the absence has a written excuse from a licensed doctor. A student missing 50% or more of a school day will result in a full day absence.

## Truancy

A student is truant when they have three or more unlawful absences in one school year. The person in parental relation will receive a letter within 10 school days of the student's third unlawful absence with the scheduled School Attendance Improvement Conference. A child is habitually truant when they have six or more unlawful absences in one school year.

## School Attendance Improvement Conference (SAIC)/School Attendance Improvement Plan (SAIP)

The purpose of the School Attendance Improvement Conference is to examine the student's absences and reasons for the absences to improve attendance with or without additional services. The following individuals shall be invited to the conference: the student, the student's parent/guardian, other individuals identified by the parent/guardian who may be a resource, appropriate school personnel, and recommended service providers.

When a student under 15 years of age is habitually truant, the district shall refer the student to a school based attendance improvement program and local children and youth agency. If attendance does not improve, a citation may be filed against the person in parental relation who resides in the same household as the student.

When a student 15 years of age up to 18 years of age is habitually truant, district staff shall refer the student to school-based attendance improvement following the law. If attendance does not improve or a student refuses to participate, a citation may be filed against the student or person in parental relation who resides in the same household as the student. A referral to Children and Youth may also be made.

The outcome of the School Attendance Improvement Conference shall be documented in a written School Attendance Improvement Plan. The plan shall be retained in the student's file. A copy of the plan shall be provided to the parent/guardian, the student, and appropriate District personnel.

If a truant or habitually truant student may qualify as a student with a disability, and require special education services or accommodations, the Director of Special Education or designee shall be notified and shall take action to address the student's needs in accordance with the applicable law, regulations, and Board policy.

# General Information

## Technology Services Acceptable Use of Network Resources

Lebanon School District students have access to the Internet and network resources for educational and instructional purposes.

With Internet and E-mail comes the availability of material that may not be considered appropriate in a school setting. We believe the availability and value of the Internet and E-mail far outweigh the possibility that users may access inappropriate or offensive material.

We cannot control all the information received or sent by anyone using the Internet or E-mail, nor can we ensure that Internet or E-mail users will be prevented from accessing inappropriate materials or sending or receiving objectionable communications.

The Lebanon School District reserves the right to log, inspect, and review Internet, E-mail and other network use of each user. This logging, inspection and review may be conducted without a reason and without notice. Each user of the District's computers agrees and consents to such logging, inspection and review and acknowledges that he/she has no right or expectation of confidentiality or privacy with respect to Internet, E-mail or other network usage.

Network administrators may review student files and communications to maintain system integrity and ensure students are using the system only for appropriate educational and instructional purposes.

- Users should expect that files stored on district servers or computers will not be private.
- Lebanon School District does not maintain archives of all E-mail messages.
- All students who use the Internet, E-mail and network resources must agree to and abide by all conditions of the Internet Access, E-Mail and Network Resources – Acceptable Use Policy (No. 815).
- Each student should review the Lebanon

School District's Student Internet and Network Resources Access Agreement with his or her parent or guardian.

- All students and minors will use technology and the Internet with approval and supervision of a teacher or Lebanon School District support staff.

## iPad Loan Agreement

To utilize the latest Instructional Techniques available in our classrooms, your son or daughter will be provided with a 10.2 Inch iPad, charging block, and cable, as well as a Protective Case. The iPad will allow for increased learning and collaborative activities that redefine the way students use technology to learn.

This equipment is, and always remains the property of the Lebanon School District and herewith is lent to the student for educational purposes, only for the academic school year. The student may not deface, damage, or destroy the equipment in any way. Inappropriate use of the device may result in disciplinary action and losing the right to use the iPad. The equipment will be returned when requested by the Lebanon School District (or sooner if the student withdraws). If the student fails to return the equipment, full replacement value will be charged. The iPad and device accessories will be issued to the student in good working order. It is the student and his/her family's responsibility to care for the equipment and to ensure that it is returned as such.

The iPad may be used by the student for noncommercial purposes only, in accordance with district policies and rules, the district's Acceptable Use Policy, as well as local, state, and federal statutes. One user (student) with specific privileges and capabilities has been set up on the iPad for the exclusive use to which it has been assigned. The student agrees to make no attempts to change or allow others to change the privileges and/or capabilities of this user account.

- The Lebanon School District network is provided for the academic use of all students and staff. The student agrees to take no action that would interfere with the efficient, academic use of the network.
- Identification labels have been placed on the iPad. These labels are not to be removed or modified. If they become damaged or missing, contact tech support for replacements. Additional stickers, labels, tags, or markings of any kind are not to be added to the device.
- The student agrees to use best efforts to assure that the district property is not damaged or rendered inoperable. Compliance with student and parent expectations will be considered in determining the responsibility for repair costs if an iPad is damaged. Repair costs will be based upon severity of damage and cost to the district to repair or replace the device. Students will be charged full replacement value for any lost or stolen iPad. If the iPad has been stolen, please provide a police report as soon as possible and report the loss to the school office.
- The student acknowledges his or her responsibility to protect and safeguard district property (iPad and accessories) and to return the iPad, charger, and protective case in the same condition issued upon request.

Financial responsibility for lost or damaged iPad and or assigned mobile learning equipment may include the following:

- Power Adaptor (\$15)
- Screen Damage (\$75)
- Cable (\$15)
- Full Replacement (\$289)
- Case (\$25)

## Emergency Management Procedures

Please contact your building principal for more information about your school's crisis response plan, or about the Safe & Healthy Schools Committee.

## Inclement Weather Procedures

At the beginning of the school year, parents are asked to make plans for who will pick up their children from school, and where will they stay, if schools are closed earlier than usual. The decision to delay, dismiss early, or close school due to inclement weather will be reported on local radio and television stations. We ask that you stay tuned to these channels when you believe weather may be a factor.

Remember to check our District Facebook and Twitter: @Lebanonsuper. Also, see information regarding SchoolMessenger. It's important that your child's school has correct contact information to inform you about schedule changes.

## SchoolMessenger

SchoolMessenger is an automatic phone communication system. SchoolMessenger is used to notify parents of upcoming events, their child's attendance, and important information in the event of an emergency. Please make sure that your child's school has at least one current phone number on record to reach you and that your email address is up to date in our system.

## PowerSchool

PowerSchool allows parents to view their child's school progress in the areas of class assignments, grades, discipline and attendance. The Parent/Guardian Access is found within [www.lebanonsd.org](http://www.lebanonsd.org) under the Parent Corner menu; simply enter your username and password to access your child's scholastic progress.

PowerSchool is available to all Lebanon School District students. If you have questions or need an account, email support is available at [powerschool@lebanon.k12.pa.us](mailto:powerschool@lebanon.k12.pa.us) or [studenttechhelp@lebanon.k12.pa.us](mailto:studenttechhelp@lebanon.k12.pa.us). Any questions about attendance and grades should be directed to the school office and your child's teacher, respectively.

## Flexible Instructional Day (FID)

The Lebanon School District has four weather-emergency days built into the school calendar. The district believes that in-person instruction is best for our students and families. Therefore, if school is cancelled due to bad weather, the district will use its weather-emergency days.

In the event of a pandemic, hazardous weather conditions, law enforcement emergency, inoperability of school buses or other equipment necessary to the public school entity's operation, damage to a school building(s), or another temporary circumstance rendering any portion of a school building(s) unfit, the district may implement a Flexible Instruction Day (FID) as an alternate form of instruction in place of a normal school day.

On a FID, students will not attend in-person school but will complete learning assignments and activities at home. Students will receive assignments for each subject that would have originally taken place during a regular school day.

If the district were to implement a FID, notification regarding procedures and expectations will be communicated to both students and families by building principal.

*Parents/guardians should ensure their contact information is accurate within PowerSchool to ensure receipt of relevant information, including school closings and FID procedures. ## Child Registration

You can now register your child online at <https://registration.lebanon.k12.pa.us>

Once you complete the online forms, select the date and time that you want to come to the office with the required documents.

Please remember that the following documents are required and you must bring them with you to the office, at the time of your appointment:

1. Original Birth Certificate, resident alien card or valid passport.
2. Immunization Records.
3. Proof of Residency (copy of lease or mortgage, utility bill.) If you are residing with someone else, we will provide you with a Residency Affidavit that you will need to have signed and notarized.
4. For Incoming K4 Students Only – Previous year's Income Tax Return, Form W2, Last two pay stubs for all jobs, PA DPW Cash Assistance Statement, Social Security Statements, Child Support Order, Unemployment Compensation.

School Records, including transcripts, report cards, IEPs and 504 Plans, while not required, greatly help us to expedite the registration of your child.

Please contact the Child Accounting / Registration Office if you have any questions, or if you have custody of a child through a guardianship or court order, for further information. If you do not have all of your paperwork, we WILL NOT BE ABLE to process your registration, and we will be forced to reschedule your appointment!

**IMPORTANT:** You must be the parent or legal guardian to register your child. If you are not the biological parent, additional paperwork is required and you should contact the Child Accounting Office at (717) 273-9391 extension 6823 or 6603, to discuss your situation.

## Immunization Policy

All students shall be immunized for DPT, polio, measles, mumps, rubella, varicella and hepatitis B in accordance with Pennsylvania statutes, unless specifically exempt for religious or medical reasons.

No student shall be admitted to school for the first time who has not been immunized against such diseases as are enumerated by the Advisory Health Board and in the manner directed by the Secretary of Health.

## Medication Distribution Policy

It is recommended that parents refrain from sending medication to school whenever possible. Administer required medication to children before and after school and at bedtime, whenever possible.

Students are not permitted to carry any form of prescription or over the counter medication on their person unless they have a written order from their physician. Students found to be carrying medication in school could face disciplinary action.

In order for a student to receive a prescription or over the counter (OTC) medication from the school nurse, the following items need to be on file with the school nurse: medication in original container and labeled with student's name order from physician for any prescription or OTC medication which shall include the dosage, time to be given, dates of administration, and purpose of medication parent/guardian permission slip. Arrangements will be made for a parent/guardian or licensed nurse to administer medications or medical treatments to a student while on a field trip. Proper documentation for medication administration needs to be on file with the school nurse before the student can participate in the field trip.

## Dress Code

In Lebanon School District there are expectations of appropriate attire for all kindergarten (K5) through 12th grade students. This standard of dress provides a non-judgmental environment where students learn to express their creativity through means other than by the clothes they wear.

The Lebanon School District believes that the responsibility for the dress and grooming of a student rests primarily with the student and his or her parents or guardians and that appropriate dress and grooming contribute to a productive learning environment. We expect students to give proper attention to personal cleanliness and to wear clothes that are suitable for the school activities in which they participate without posing a risk to the health or safety of any student or school district personnel.

- Students must wear clothing, including a shirt with sleeves, bottoms, that do not expose skin above mid-thigh, and practical sensible shoes.
- Pajamas, slippers, and pants worn below the waist are examples of attire that are prohibited.
- Hats, hoods, and other head coverings are not permitted to be worn on the head on school grounds, except when prescribed by the student's physician, as an expression of religious beliefs, or when the principal determines that a special situation warrants it.
- Clothing must cover the chest, torso, and lower extremities to at least the fingertips of the student's outstretched hands when arms are put down against his/her side.
- Clothing must cover undergarments and must not be see-through or contain rips, tears, or holes.
- Attire or grooming depicting or advocating violence, criminal activity, gang-related activity, use of alcohol or drugs, pornography, obscene or vulgar language, or hate speech are prohibited.
- Additionally, attire, accessories, and grooming should not depict or advocate violence, criminal activity, gang-related activity, use of drugs or alcohol, pornography, obscene or vulgar language, or hate speech.

Administration and enforcement of the dress code is gender neutral and consistent. Students who are out of dress code will be asked to change or have clothes delivered from home to change to the appropriate attire. Consequences for dress code infractions will follow the PBIS framework for the building.  
(Based on Board Policy #221)

## Student Rights and Responsibilities

Chapter 12 of 22 PA Code provides rights and responsibilities for students and gives the authority for school boards to make reasonable and necessary rules governing the conduct of students in school.

### *Standards of Conduct*

Lebanon School District takes pride creating and maintaining a responsible, respectful, and safe environment in all settings.

### *Model Responsibility and Integrity*

- Be honest at all times
- Be responsible for your own work and behavior
- Develop positive relationships.
- Accept responsibility for your own actions
- Attend school regularly and on time
- Believe that you can and will learn; produce quality work that meets the highest classroom standards
- Commit to remain in school with the objective of graduating on time

### *Respect Self, Others, and Property*

- Value diversity and respect the views and opinions of others.
- Treat all persons fairly and with dignity; seek peaceful resolutions to disagreements.
- Choose appropriate, non-offensive language to express one's thoughts, opinions, and feelings.
- Respect the rights and privileges of students, teachers, and other District staff and volunteers.

### *Create a Positive, Safe, and Drug Free Learning Environment*

- Conduct yourself in a safe and responsible manner that focuses on academic success while in the school environment or on school property.
- Cooperate with and assist the school staff in maintaining safety, order, and discipline.
- Obey laws and School Board Policies against possessing or concealing any substance or objects which are prohibited or which may disrupt the educational process and/or school sponsored activities.
- Conduct yourself in a safe and responsible manner to and from school with other students, with members of the community and within the community.

## Cedar Foundation

The Cedar Foundation, a 501(c)3 tax-exempt not-for-profit corporation, was established by the Lebanon School District to provide financial resources, to support and encourage education opportunities and creative programs and projects. The Foundation is pleased to announce that grants and awards will be offered on an on-going basis to students and staff.

Applications are available on-line and from the Office of the Superintendent. Awards may be used for workshops, camps, innovative new programs, and field trips. Over the past seven years, the Foundation has awarded almost \$200,000.

For more information about contributing to the Cedar Foundation, please visit the Cedar Foundation website at <https://cedar-foundation.lebanonsd.org/>.

## District Volunteers

Our volunteers are busy people with the passion to help our students achieve great things! You can find our volunteers helping in classrooms, in booster clubs, speaking in classes, and even on the playground! There is a volunteer opportunity for everyone; just let us know what your interests are and we'll match you with the perfect job!

In accordance with Pennsylvania law, each volunteer must complete clearances and obtain a Tuberculosis (TB) test. If you are interested in volunteering in our schools, it is recommended that you obtain your clearances and TB test as a first step to enable you to move forward in the process.

Required Documents include:

- Request to Volunteer Form
- Pennsylvania State Police Clearance
- Child Abuse Clearance
- FBI Clearance
- TB Test Results

After completing these documents, upload everything using the link found on the district website at [https://www.lebanonsd.org/for\\_parents/volunteer\\_clearances](https://www.lebanonsd.org/for_parents/volunteer_clearances).

Additional information about volunteers, TB test locations, and clearance links can be found on the website too. Please contact the District Office Receptionist at (717)-273-9391 extension 6500 if you have questions.

## 21st Century Program

The Lebanon School District 21st Century Program is a federally funded out-of-school time program funded through the Nita M. Lowery 21st Century Community Learning Centers grant program, as competitively awarded by the Pennsylvania Department of Education. The Lebanon School District offers programming Monday – Thursday before and after-school throughout the year.

The Lebanon School District 21st Century Program currently serves over 300 students annually, in all seven schools within the district and provides:

- Academic Enrichment (English, Math, STEM, Arts, Wellness)
- Social & Emotional Learning Opportunities
- Health & Wellness Activities
- Family Engagement Activities
- Academic Remediation & Credit Recovery\*
- Connection to Community Partners & Resources

The 21st Century Program is focused on helping students and families grow into life-long learners by building strong partnerships between families, the school and the community. The goals are to:

- Increase student achievement through high-quality and innovative academic enrichment activities.
- Increase student achievement, behavior and attendance through strengthened relationships with students and families.
- Connect families with community services and learning opportunities.

Families may enroll students in the 21st Century program each year. Enrollment forms may be provided/obtained from your child's teacher, principal, counselor, community advocate, or the program director.

Further requests for information should be directed to:

# General Information

## Right to Know Request for Teacher Qualifications

As a parent of a student at Lebanon School District, you have the right to request the professional qualifications of the classroom teachers who instruct your child. Specifically, you have the right to ask for the following information about each of your child's classroom teachers:

- Whether the Pennsylvania Department of Education has licensed or qualified the teacher for the grades and subjects he or she teaches.
- Whether the Pennsylvania Department of Education has decided that the teacher can teach in a classroom without being licensed or qualified under state regulations because of special circumstances
- The teacher's college major, as well as any advanced degrees that he or she may have attained; whether any paraprofessionals provide services to your child, and if they do, their qualifications.

If you would like to receive any of this information, please send a request in writing to your child's principal. In addition to specifying the information which you would like to receive, please be certain to include your name, address and a telephone number at which you can be contacted during the day.

## Integrated Pest Management

(Based on Board Policy # 716)

The district shall utilize integrated pest management procedures to manage structural and landscape pests and the toxic chemicals used for their control in order to alleviate pest problems with the least possible hazard to people, property and the environment.

## Americans with Disabilities Act (ADA)

For information regarding services, activities and facilities that are accessible to and usable by handicapped persons, contact:

Mr. Brian Hartman  
Director of Operations and Maintenance  
Lebanon School District  
1000 South Eighth Street  
Lebanon, PA 17042  
(717) 273-9391

## Emergency Preparedness

The Board recognizes its responsibility for the safety of students, staff, visitors and facilities. Therefore, the Board shall provide facilities, equipment and training necessary to protect against hazards and emergencies, including but not limited to natural disasters, hazardous chemicals, fires, weapons, bomb threats, intruders, terrorism, communicable diseases and pandemics. Advance planning, training, practice and comprehensive implementation are key components in protecting the safety and security of the school community.

## Security Cameras

Security cameras may be installed in your child's school. If you have any question regarding building safety or security, please contact the building principal. All D.B. Fisher buses and vans used to transport students are equipped with video and audio recording equipment for safety and security reasons. The use of school buses and vans constitutes consent by students and their parents to the District's audio/video monitoring.
